

A Thanksgiving Day Class Poem

As we created this Thanksgiving Day poem, we made posters with decorations and individual letters; T H A N K S (one letter on each poster). Then we wrote the word GIVING on a poster and decorated it.

As we said this poem we held up the posters one by one to form the word THANKSGIVING. This is our poem.

T is for Thanksgiving.

H is for our homes so dear.

A is for the autumn.

N is for neighbors, far and near.

K is for the kitchen filled with spicy pumpkin pies.

S is for the sunshine, in our hearts, and in the skies.

So, let's celebrate THANKSGIVING DAY

And count out blessings too.

Now we'll spell it... T, h, a, n, k, s - giving day to you.
